SCHOLARSHIP COMMITTEE

The Scholarship Committee is pleased to announce that it has selected the following three young women to receive our branch's educational grants for academic year 2015-2016. The women were selected from a pool of strong applicants and were each awarded \$2000 grants, of which \$1000 has already been presented to cover the fall semester.

Amanda M. – This is the second year that Amanda has received an educational grant from our branch. She is a sophomore at Middlesex Community College where she expects to earn an AS degree in radiology technology in 2016 and was amongst 19 students out of 200 who were accepted into the program. She has begun her clinical training and hospital rotation, and will take four courses in the fall semester for a total of 12 credits. She maintains a 3.5 GPA. Amanda is 23 y-o, lives in East Haddam with her family, and works part-time as a pharmacy technician in a local pharmacy as much as time will permit.

Megan D. – Megan attended Middlesex Community College for two years and has now transferred to the University of Connecticut. Her major at Middlesex was General Studies and she maintained a 3.6 GPA. She was accepted into the English program at UCONN and anticipates applying to the Neag School of Education to study secondary English education. Her goal is to work with students and children, as an English teacher at the middle or high school level. She has registered for 6 courses in the fall semester for a total of 16

credits. Megan is 22 y-o and, while her residence is Old Lyme, will live on campus at Storrs.

Alexis H. - Alexis is a senior at the University of Connecticut at Storrs and majors in Biomedical Engineering in the Engineering Department. She has a 3.5 GPA and will earn her BS degree in 2016. In the fall semester, Alexis will take four courses for a total of 12 credits. Upon graduation, her goal is pursue the area of cell and tissue engineering in a clinical setting, with the aim of earning a Masters degree. Alexis is 22 y-o and, while her residence is Old Saybrook, will live on campus at Storrs.

Amanda, Megan, and Alexis are thrilled to receive our grants and very appreciative of our financial support. Megan and Alexis have committed to attend our branch meeting on September 9th and will be introduced to the membership. Amanda will attend if her clinical rotation schedule allows. The students are looking forward to meeting us, and we hope you can take this opportunity to meet them too.

A big thanks goes to all of the Scholarship Committee members, Nancy F., Carolyn C., Barbara H., Mary M., Deb R., and Suzanne T., for their outstanding work during the past year which came to fruition in the selection of three highly qualified students. While we anticipated awarding grants to two students, we selected three since the candidate pool was strong and the students' academic references were even stronger. The awards and available funding were pre-approved by the LCV Board. A bigger thanks goes to all of the LCV branch members who freely gave their time, energy, and expertise under Sara K's leadership toward raising monies at this year's fundraiser. Because of your efforts, we are able to award grants to these three deserving women.
